

**Announcing “Expand Your Consciousness”
March 2-7, 2012 in Kauai, Hawaii
Retreat to the Garden Island of Kauai to experience
“LIVING THE NEW GOLDEN LEMURIA”**

Aloha!

We hear the calling to Paradise, it is a place that our soul knows well, a place of eternal beauty and peace. We have yearned for this time of the calling. What does it mean to LIVE the New Golden Lemuria? It means to honor the calling of Your Soul and return to living and creating from a place of peace and harmony. Gift yourself with an opportunity to spend a week honoring the raising of your vibration, activating Your DNA and creating Your Light Body as we prepare for Ascension.

Together with the Whales & Dolphins, we will open your light bodies with the ancient tones and codes. Your Crystalline DNA opens through the powers of the Lemurian Codes of Light; the Harmonic Overtones through the Language of Light that was first brought to Earth by the Whales and Dolphins.

Do the Ancient energies of Lemuria beckon you back to the Star Gate on the Napali coastline? We are being called to greet the Ancient Ones, the White Whales that are bringing us the “Codes of Creation” through the original Star Gate in Kauai.

Is your Soul and the Whales & Dolphins calling you back to Lemuria? If you feel the calling in your heart, we hope you will join us in Kauai, Hawaii in March 2012 as together joined in Love we will join in LIVING the energies of the New Golden Lemuria!

Blessings and Love to each of you!
