## Whale and Dolphin Healer, Laurie Reyon.

**Moorea is a heart shaped Island in French Polynesia, next to Tahiti.**

**It is a mystical place that is said to be the MOST BEAUTIFUL Island in the world. It is the navel of the earth with ley lines that align with the Kings Chamber of the Great Pyramid of Egypt.**

**We will connect with this powerful ascension energy during the retreat and visit the Ancient Temple on Moorea. Here we will hold a Ceremony with the Divine Feminine and Mother Gaia.**

Moorea is the ultimate paradise dream come true! We will be living on one of the most beautiful white sand beaches in a new luxury resort. Everyone will be in a shared bungalow with a kitchen (2 people per bungalow). You can cook your breakfast and lunch if you prefer or visit nearby fabulous restaurants. (optional - self pay) There is a grocery store location within walking distance for food supplies, and we will visit a larger grocery store twice during the week with

transportation.

We have arranged for a Private Chef to cook a wonderful dinner for us as a group for 6 nights. We will have a full Island Tour to see the magic and beauty of Moorea's mountains and landscapes. That evening we will visit the Polynesian Cultural Center and enjoy an authentic Polynesian Buffet meal (Luau) with live and exciting Polynesian dancers.

During our retreat we will gather after breakfast each day for deep meditations and Channeling sessions with the Whales. Laurie Reyon will share teachings from the Council of the 13 White Whales and their Light Body templates for healing our bodies and preparing us for Ascension. After lunch we will depart on our boat trip and swim with the Whales, Dolphins, Manta rays, and Sea turtles. Each day will be an immersion into the consciousness and teachings of the Great Whales as we open to expand ourselves.

Moorea is one of the few locations in the world where it is legal to swim with the wild Humpback Whales. It is the most magical and uplifting experience to be in the warm ocean water, floating, swimming and being close to the whales. We will enjoy 5 boat trips with swims to encounter the majestic gentle giants who are the Humpback Whales.

Moorea is in French Polynesia close to the island of Tahiti. Enjoy a life changing week staying at a beautiful premiere Beach Resort with white sand beaches. We will stay in individual bungalows with kitchens. There is a market nearby to purchase food and several fabulous restaurants you can visit for breakfast and lunch. Your dinners are a part of the package and will be prepared by a professional chef!

### ACCOMMODATIONS:

Every two people will have their own private bungalow, yards from a pristine white sand beach. Each bungalow has a bedroom with queen bed and a living room with a very comfortable top-of-the-line sofa bed imported from Italy. First to enroll gets the bedroom. They all have kitchens. We will arrange roommates if needed. If you are a single participant, we will give you a roommate, unless you want to pay an additional fee for a private bungalow.

We will have an early check-in arrangement when we arrive as a group on the ferry from Tahiti.
