Joanne Edmondson

Hi!

I'm Reverend Joanne Edmondson. I woke up in this lifetime and began running down my path in 2002, taking every healing modality class that my Guidance Team brought to me. With years of hands on healing under my belt and combining all the tools of those modalities, I finally realized they were all the same.

Pyramid Power

Are you open to Experience the Power of the Pyramid and hear the ancient wisdom behind their structure?

Pyramids were built by ancient races in almost every country in the world.

Only recently, scientific study and metaphysics have revealed that pyramids are much more than we have been taught in the last few generations. They hold significant power and the wisdom we will share will change your perception and beliefs about the true Power of the Pyramid.

Pyramids to Experience

Come to the Omni Dimensional
Mystery School and sit in our
Rainbow Pyramid!

And sit in our copper pyramid designed by
Grandma Chandra to clear and expand
your energy.

Pyramids Can:

Dr. Volodymyr Krashnoholovets, a physicist from the Ukraine, has studied pyramids extensively and finds that they can do the following, and much, much more!

*Immune system of organisms improved (blood leukocyte composition increased).

*Improved regeneration of tissue.

*Seeds stored in the pyramid for 1-5 days showed a 30-100% increase in yield.

*Violent weather also appears to decrease in the vicinity of the pyramids.

*A study was done on 5000 prisoners who ingested salt and pepper that had been exposed to the pyramid energy field. The test subjects exhibited a greatly reduced violence rate and overall behavior was much improved.

What do you think? Is it possible that after all, Pyramids were not used as tombs in ancient times? Is it possible that after all, these majestic ancient structures-scattered across the globe-have a purpose that mainstream scholars have not yet identified? There is so much more going on with these ancient structures that benefit us as we awaken and remember them. Let's explore this together! Laurie Reyon

Rakie:

Pyramids have focused human will and intention since time immemorial. Rakie will offer understandings as to how and why, 12 of these structures are being illuminated to an extent not available before.

These ideas apply to constructed and natural pyramids, the mountain peaks. Humans in direct partnership with the elements of nature, will coalesce compassion and intention until a time the earth will carry such an inclusive vibration that heaven on earth is ushered in.

Joanne:

Gaia is ascending and if we choose, we are going with her. It is time for us to accept responsibility for our personal ascension, realize we are ALL ONE, enter our heart space and radiate Love and Light. Ascension tools for raising our vibration include pyramids and grids. Come explore our past, present and future together in Oneness.
