**WHALES WORK WONDERS**

**What if you knew you did not have to go to battle with the  
Corona Virus?**

**What if there was a way to live peacefully now, without fear, knowing  
that the Corona Virus has NO POWER over you?**

**Experience a Personal Healing and  
Create a SHIELD OF LIGHT & IMMUNITY**

**The Whales are the Elders of this Planet and they are our Galactic  
Ancestors. They are Stewards for Humanity and they have both**

permission from Source and the ability to disable the Corona Virus and help you Create a Shield of Light and Immunity. They are seeking to connect with you now, offering you the opportunity to receive at the highest level.

The Whales ask everyone to go within to your heart to remember your connection to the Ancient Whale Family. We are all connected, and they are truly a part of your Star Family, incarnating on the Earth eons before humanity arrived.

They have the ability to assist Humanity with core level healing, and they are here offering a specific Energy Light Medicine Transformational Healing Alignment.

The Corona Virus is here, and the fear of contracting this disease has gone around the world very quickly. The Great Whales have shared with me that they would like to offer a Healing and Alignment session for everyone who is interested in creating a Shield of Light and Immunity to the Corona Virus.

**I AM an Inter-Species Communicator and have specialized in telepathic communication with the Great Whales and Dolphins now for about 19 years.**

**I have witnessed thousands of Whale Healings since I have chosen to partner with the Whales as their Voice and as a facilitator for their healing processes.**

**Three years ago I co-created the Whale & Dolphin Energy Light Medicine School, training others to facilitate healing sessions with the Great Whales.**

**I have dedicated much of my life to simply being the "Voice" for the Great Whales, and I have been trained in listening to how I can serve these Great Beings we call the Whales.**

**Recently, the Whales shared with me that they can help people who want to raise their vibration to avoid the Corona Virus.**

**The Whales are offering a Sacred Healing and Alignment Session where they will create a Sacred Energy Field around you, placing you in a Golden Orb of Light that will function as a Shield of Light regarding the Corona Virus.**

**They can also heal those of you that have contracted the virus and move you into a higher vibrational place, where the virus is disabled and non- functional.**

**For those who might not know, the whales are the elders on our planet with some 300 plus million years of experience.**

**The Humpback whales have shared with me that they are here as stewards for humanity and always have been. They have amazing healing abilities and they sing the songs of creation.**

**I have been working with the Great Humpback Whales for 19 years now and have embraced the purpose and mission of the White Whales who returned to**

**earth in March 2012. I have promised to be their voice and help actualize their healing abilities for thousands of people who have chosen to open their hearts to receive their alignments.**

However, never before have we specifically worked together to disable a virus.

The Whales have shown me a process to summon them etherically. They have said they will answer the call to come to specific homes and people who ask for their help, and they will disable the virus if it is present.

They will also create a Shield of Light around the people who ask for this healing and they will create an instant immunity to the corona virus. The virus will be repelled with this harmonic and the new resonant Shield of Light. The virus will then be harmless to those who choose to upgrade their physical vehicles with the assistance of the Great Whales.

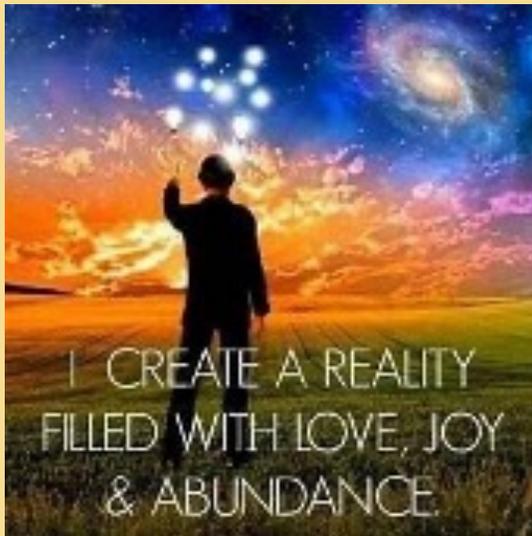

The Whales have shared that the entire healing and transformational experience can happen in about 90 minutes. The Whales are multi-dimensional Beings that work at the quantum level. Once they are given permission from the human, they coordinate with your Soul. They have the ability to work with our human DNA, accessing oscillating photonic Source light for our healing alignments. The

process of creating a Light Body for a human involves working with the crystalline molecule to create and encode a Zero Point energy field. Zero Point is the underlying energetic of absolute interconnected stillness. ZERO POINT is the presence of all that is, infinite and neutral. From this place you are offered a boundless state of possibility and you can step out of duality and all false realities.

**From the Whales:**  
***“We are witnessing a pivotal time in history when one civilization is dissolving, and a new world paradigm is being birthed alive. If you sense the world as you knew it is changing, it truly is.***

***Beloved Ones, this time period is destined to be a reset for everyone. It is time to further awaken and expand your perceptions and belief systems. Part of this is remembering that you are not alone in this challenge, and that you have great support available to you***

***We the whales join together and stand in the Zero Point field of creation where our presence ignites the quantum possibilities. We can apply this energy to help humanity materialize their visions and intentions for a new earth. We are the alchemists initiating new consciousness codes and templates for a 5D hologram. This is our gift to Gaia and to humanity. This is how we fulfill our Souls mission. We are transmitters and receivers of light, and we are in service to you.***

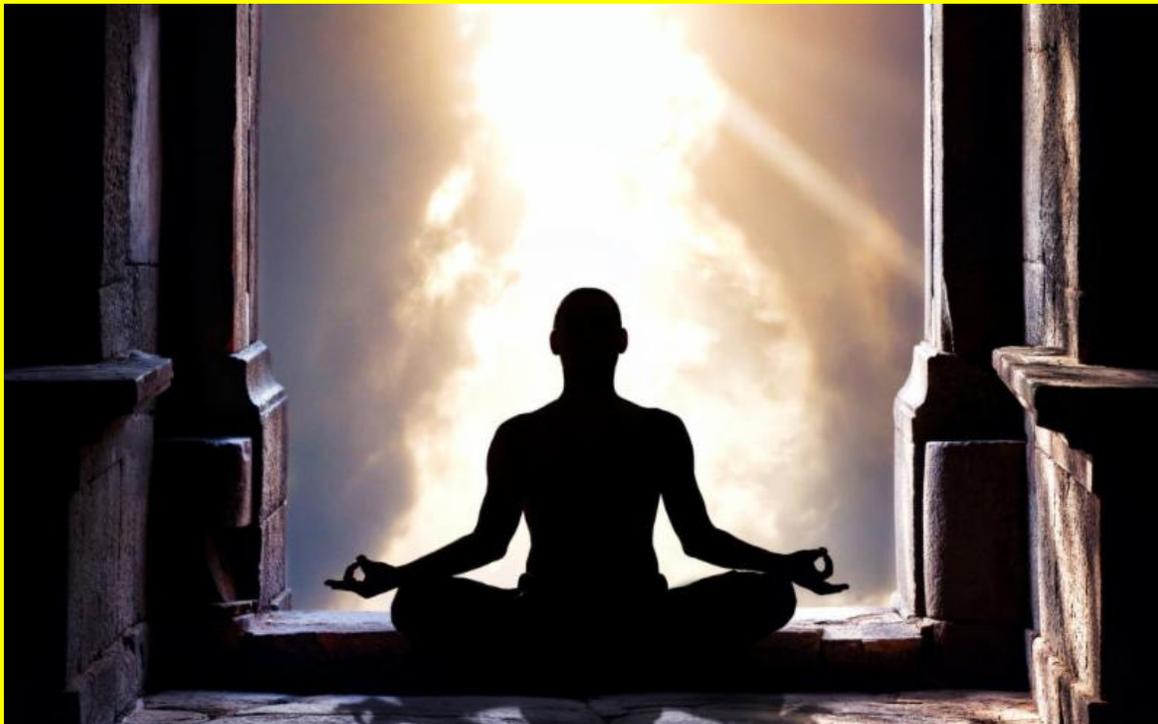

***Remember to move into your hearts and open to the flow of Solution Energy that is perfect and right for you. Our message is to offer you a merger of the Highest Light during this time of great challenge. If you choose to partner with us for your own healing and vibrational upgrade, you will receive powerful infusions of Light that will greatly assist you in facing your challenges.***

*The woman Laurie Reyon, will be working closely with us to offer you opportunities to join the Whales to heal your bodies, and create the Sacred Shield of Light for the Corona Virus.*

*~Namaste and Blessings to All,  
We are the White Whales I Am Vendekata*
