

**Message from Laurie Reyon
– Whale & Dolphin Energy Light Medicine Participants:**

**Module 2 Outline and Information
Including Requirements for becoming a Certified Practitioner**

Please know that whether you are seeking to become a professional Healer and become certified in this work, or you are just called to work on yourself with the amazing whales and dolphins, you are truly honored. The love and support we receive from the whales and dolphins is beyond what we can make known in this dimension, but we are prepared to try and allow ourselves to grow and expand in our abilities to be:

- 1. A true WISDOM teacher for them, representing them in the highest and best way possible, with our beautiful meditations and messages that are educating the world.*
- 2. A powerful Grounded Facilitator for their Healing Processes.*
- 3. A powerful Channel for their personal and collective words of wisdom for ourselves and for our clients.*

Regarding the work we are now beginning with the Dolphins and our DNA. This is a very intimate and personal journey into your deep core issues and buried emotions. As we become willing to own every thought, word and deed that we have had, we can come into a place of conscious creation where there is no shame or judgement.

As we said in class, it becomes observation over judgement, so we can clearly see where the blocks are that are keeping us in fear or feeling small, or like we cannot accomplish a new or challenging task. Also, it is a deep inner journey into your Mastery from life times past on this world and before Earth. It is all there in the DNA, which is the code for all that you are, all that you have been and all that you can become.

Working with the dolphins, it all can become observed with clarity and support abounding. It is a gentle way of healing, but ever so revealing. They remind us in every way, that the solution energy is within us and is not that far to stretch to find it and bring it in. Module 2 will help those that are seeking a way to become a very supportive coach and healer combined. It is so wonderful to see how powerful the dolphins are when they come in to assist us in the most deeply personal way and yet so very gentle.

I hear some of you are starting to create your own wonderful messages and meditations and look forward to hearing them. How wonderful! Remember the first step for all of this work is for us to be the best possible EDUCATORS of who the dolphins and whales are to the public. Most People simply do NOT KNOW who they really are at this time, and therefore can NOT connect to their own DNA.

Remember wisdom and education is power, so this is a good time to back through our 60 page manual and make sure YOU are up on all the facts and stories, so you can share this information with others.

*Blessings to each of you,
Laurie Reyon*

**The Omni Dimensional Mystery School
is proud to announce the**

Dolphin & Whale Energy Light Medicine School

Training Facilitators and Certified Practitioners

Module 2 Includes:

- Training and further study the workings of human DNA and it's 12 Lavers. This Module is a mirror into the potentials of humanity's potential to activate and utilize our entire 12 strands of DNA, moving into an accelerated Ascension pathway.

-Dolphin Quote: "The Dolphins are the designated KEEPERS of the human DNA template system. They receive infusions of DNA activations through the earth's ocean systems from Creator. It is their given task to process this information internally and calibrate the actual DNA that is perfect and right for each person."

- The Dolphins will guide us, as they are highly advanced Super Sentient Beings that are the Masters of DNA Recalibration for the humans. They are able to shift old energies very quickly with their healing frequencies. They work in partnership with the Great Humpback Whales to facilitate accelerated healing and integration of wisdom. They are a part of the energy and frequencies that are Co-Creating the New Earth. They are Master Teachers from the Stars living on Planet Earth as an example of how we can live in health, peace and harmony, outside of competition and lower 3rd Dimensional choices.

Cetacean Energy Light Medicine teaches you techniques that will assist you in becoming a Conscious Creator. It is time to remember more about who you really are. It is time to return yourself to your original state of consciousness while healing your physical forms. This processes that make up the Whale & Dolphin Energy Light Medicine access your Akashic Records with your permission. This is the recorded journey of your Soul over every life time.

The Dolphin and Whale Energy Medicine creates a Crystalline Matrix in the human form, activating dormant DNA and allowing the human to carry more Light, preparing them for Ascension.

- **Module 2** is a powerful study of the 12 Lavers of Human DNA and science of Epigenetics. The Dolphins are teaching us that our inherited

genes do not predetermine and control our physiology or our behaviors. They are the Masters of activating our DNA when we approach them for assistance. The Dolphins tell us that true healing is applied consciousness in motion, where nothing is pre-determined. They assist us in shaping our biology where we become the Masters of our Lives.
