time to share these energy healing secrets with others that are guided to

- Training and further study the workings of human DNA and it's 12 Lavers. This Module is a mirror into the potentials of humanity's potential to activate and utilize our entire 12 strands of DNA, moving into an accelerated Ascension pathway.

-Dolphin Quote: "The Dolphins are the designated KEEPERS of the human DNA template system. They receive infusions of DNA activations through the earth's ocean systems from Creator. It is their given task to process this information internally and calibrate the actual DNA that is perfect and right for each person."

- The Dolphins will guide us, as they are highly advanced Super Sentient Beings that are the Masters of DNA Recalibration for the humans. They are able to shift old energies very quickly with their healing frequencies. They work in partnership with the Great Humpback Whales to facilitate accelerated healing and integration of wisdom. They are a part of the energy and frequencies that are Co-Creating the New Earth. They are

Master Teachers from the Stars living on Planet Earth as an example of how we can live in health, peace and harmony, outside of competition and lower 3rd Dimensional choices.

- Module 2 is a powerful study of the 12 Layers of Human DNA and science of Epigenetics. The Dolphins are teaching us that our inherited genes do not predetermine and control our physiology or our behaviors. They are the Masters of activating our DNA when we approach them for assistance. The Dolphins tell us that true healing is applied consciousness in motion, where nothing is pre-determined. They assist us in shaping our biology where we become the Masters of our Lives.

At the completion of Module 2 each trainee will have the opportunity to begin an Internship, working with clients to hone their new skills and to begin a practice of their own offering Whale & Dolphin Energy Light Medicine to others. At the conclusion of the Internship which is 4-6 months, you will be Certified as a professional Whale and Dolphin Energy Light Medicine Practitioner.

Your Divine Life Blueprint is intact and exists within the matrix and grid systems of the Earth. It also exists and is stored within the water molecules of Earth's oceans and can easily be accessed by the Great Whales and Dolphins who are stewards for humanity. In using these processes, it is our intention to assist you in accessing your original programming, or state of existence.
