

TRAVELING in YOUR MERKABA LIGHT SHIP

Saturday, April 18, 2020

Online in our Zoom Room

You need not be present to participate. We will share the video recording with all participants following the workshop.

In this workshop we will assist you in using your Living Light Body or Merkaba to achieve higher states of consciousness and communication. We will use our intention and meditation to create a vehicle for our Light Body, or Orb to communicate with other sentient Light Beings in the physical and in formless consciousness.

Laurie Reyon studied the Flower of Life Teachings with Drunvalo Melchizedek.

She has successfully taught many people this amazing technique for eight years now.

Upon mastering this technique, you may be eligible to join our Master Mind Group - Cosmic Conscious Creators. We travel in our Merkaba Orb ships doing planetary work, guided by the Soul of Seth.

In our workshop we will enter into the sacred space of the heart, asking to feel Love for all Beings.

We will intend to achieve conscious orb travel and communication with other benevolent sentient Light Beings.

During this class we will assist you in connecting your heart to your Pineal or 3rd Eye for

enhanced Inter Species communication.

Are you ready to begin conscious communication with other Celestial Light Beings and Angelics that are serving the greater good for Earth and Humanity?

Have you activated your Living Merkaba?

Merkaba Levels of Consciousness:

The ascension process is a process of change in your systems of reality.

In the third dimensional old system of reality, the body was the bearer of your consciousness in the physical.

In the new reality system that you are entering, your physical body will transform into a bearer of consciousness

that is inter-dimensional.

Your Higher Self can assist you in creating your Lightbody which will then prepare you to freely transition into other higher dimensional realities.

Our intention is to guide you into 5th dimensional possibilities through inter-dimensional travel. Your Lightbody, or Merkaba is the vehicle that allows you to make direct and intimate connection to fifth dimensional realities and higher.
