The MUNAY-KI
SHAMANIC RITES OF HEALING
AND TRANSFORMATION with
LAURIE REYON

Training to Create Your
Luminous Light Body:

Saturday, August 25, 2018
ONLINE or Live in Oceanside, CA

The prophecies of the ancient Americas speak about this time as a period of great transformation, a time to make an extraordinary difference in the world. They foretell of a new human appearing on the planet - a person of wisdom and power who lives free of fear and abides in their eternal nature, accepting stewardship for all creation.
9 INITIATION RITES of the MUNAY-KI

The training of the Earthkeepers has an energetic component, a series of initiations that help us to develop a new architecture in our luminous energy field. The rites anchor each of the critical junctures in the process of becoming homo luminous.

The nine rites of the Munay-Ki are the sum total of attunements that we go through as we transit from the body of a human to the body of angels. These rites were first given to ancient teachers by angelic beings, and now are passed on from teacher to student. When an Earthkeeper gifts the Munay-Ki to a student, it is the lineage of luminous beings that transmits itself, that leaps from the head of the master to the student as they lean into each other and touch, forehead to forehead. To transfer this energetic information, the Earthkeeper simply maintains sacred space and embodies the vibration of the level she wants to transmit. While you can’t undergo these initiations on your own, once you receive them, the rites are yours to transmit to others as you wish.

THE INITIATION RITES:

SEER’S RITE
Reawakens the Shaman’s way to perceiving the World. Five luminous Extra-cerebral pathways of light are woven and installed that connect the visual cortex with the third eye and two are woven that connect the heart chakra to the visual cortex. This awakens the "inner seer" and your ability to perceive the invisible world of energy and Spirit. Vibration of Angels and Archangels.

DAYKEEPER RITE
[in Quechua, the Pampamesayoq rite]. The Daykeepers were the masters of the ancient stone altars found in sacred places throughout the world, from Stonehenge to Machu Picchu. The Daykeeper is able to call on the power of these ancient altars to heal and bring balance to the world. This rite is an energetic transmission that connects you to a lineage of Laikas from the past. According to lore, the Daykeepers call on the sun to rise each morning and
set each evening, made sure that humans were in harmony with mother earth, and honored the ways of the feminine. The Daykeepers were the midwives who attended births and deaths, as well as being the herbalists, or curanderas. They were generally women, and were knowledgeable about the ways of the feminine earth. This initiation begins the process of healing your inner feminine, and helps you to step beyond fear and practice peace.

WISDOMKEEPER RITE
lineage of Laikas from the past.
[in Quechua, the Altomesayoq rite]. The legends say that the ancient wisdom resides in the high mountains. The ice-covered peaks were revered as places of power, just as other mountains around the world, from Mt. Sinai to Mt. Fuji to Mt. Olympus, have been honored as places where humans meet the divine. The lineage of Wisdomkeepers are medicine men and women from the past who defeated death and stepped outside of time. The job of the Wisdomkeeper is to protect the medicine teachings and share them with others when appropriate. This rite helps you to step outside of time and taste infinity.

WHAT YOU WILL EXPERIENCE:
As you experience the Munay-Ki, you'll feel the presence and sense the wisdom of these luminous ones who have broken out of linear time and now dwell in sacred time, in infinity, free from the grip of karma and rebirth. The Munay-Ki will clear your Luminous Energy Field of the psychic sludge left by past traumas. As you raise your level of vibration, these luminous beings will come to you and guide you. Connect with them, and you'll be able to recall stories that you never experienced directly, but that are now yours.

As you receive the Munay-Ki, your chakras will become clear and you'll acquire what the Shaman knows as the rainbow body. This is when your chakras glow with their original radiance. Remember that each of the chakras has a color, and when they're shining with their original light, they emit the colors of the rainbow. When they're dulled by trauma from this and from previous lifetimes, our Luminous Energy Field acquires a grayish hue and our chakras become pools of psychic sewage. Once we acquire a rainbow body, the luminous Earthkeepers can reach out to us because they recognize that we share a common vision and calling.
