

## INTER-SPECIES ANIMAL COMMUNICATION Saturday, January 27, 2024

With Laurie Reyon, Master Cat Puddah,  
and Samuel (in Spirit)

## DO YOU WANT TO DEVELOP YOUR ABILITY TO COMMUNICATE WITH ANIMALS?

In this Class we will COMMUNICATE with  
Different Species of Animals.

I have been teaching Animal Communication now for 23 years. Many people have activated the skills needed to open to Animal Communication while working with us. Everyone has the natural ability needed to do this, but not everyone takes the time to open their hearts and practice with the animals to hone their skills.

Come join us for our Inter-Species Animal Communication Class!  
It will be informative and fun!

There is no substitute for practicing YOUR SKILLS in a  
Group that provides support and feedback.

We will teach processes that can assist you in using YOUR SKILLS.  
Anyone can DO this, just takes some focus and practice.

In this class you can introduce 3 of your Animal Companions to the Group.  
They can be in the physical or in spirit.

**We BELIEVE that the Animals are the Greater Body of Healers and Teachers on this planet.**

**We will OPEN to their Wisdom and ask to communicate clearly with each of them.**

**You will have the opportunity to ask questions, and practice receiving their answers.**

**The Animals are representatives of Love and Service to humanity and to the Earth.**

**Communication with Animals becomes available to everyone when they begin living and creating from their hearts.**

### Master Cat Puddah and Laurie Reyon

We will work with your 3rd Eye or Pineal gland to help you connect with your heart to receive more detailed telepathic communication from the animals. Everyone can do this with some practice and support. You just have to trust yourself. In our world, the Animals communicate through frequencies that are non-verbal or telepathic. Once you connect to this form of communication, you will receive their transmissions, wisdom, and humor.

They are all anxious to talk with you!

All humans HAVE this GIFT when they are born. We will help you remember how to activate and use your gifts so you can communicate with animals.
