

THE LEMURIAN EXPERIENCE - 2024

Judy Cali

Judy realized her mission is to assist You to Remember Who You Are as Source, All & Everything, a Golden Being of Light at 7 years of age.

She was asked by Ascended Master Hilarion, the Master of Healing and Archangel Gabriel, Archangel of your Clarion Call, both of the Emerald Ray, to go public as a Healer with her gifts over 25 years ago.

Judy is an Ascended Master, Crystal Reiki Master, Spiritual Minister, World Teacher, Life Coach, Workshop Leader, & Guest Speaker.

In 2005 she channeled Mikos, Head Librarian of the Library of Porthologos of Inner Earth, for the Wesak Festival at the United Nations Building in New York City.

Also in 2005, she was hired by NBC as a Psychic, for a documentary on Atlantis & The Bermuda Triangle filmed in Bimini with David Childress & Lester Holt. The film is still shown sometimes on the Sci-Fi Channel.

Continuing, Judy aligned with her 5th Dimensional Self as Anna, Mother Mary's Mother.

In 2019, she became aware that she is The Ambassador of All the New Children.

Jesus had told her in 1953, at 7 years of age, that she would be working with Children All over the World, in her later years.

In September 2022, Judy was given her New Sacred Heart Master Mission as an Ambassador of Inner Earth & bringing forth more updated info about The Violet Flame. As Life continues to Joyously unfold, she is Now aligning with her 6th+ Dimensional Self.
