Master Cat Puddah - Seth

"I bring Awareness or Remembrance of Love from the Creator and One Source. I give birth to a Higher Love whenever that intent is given or allowed for in my presence."

– Master Cat Puddah

Master Cat Puddah is a Being of Ascended Master energy.

This Soul has incarnated into the body of a cat five separate times during Laurie Reyon's life and continues to work in sacred partnership through their telepathic connection.

Each time Master Puddah has brought Reyon many gifts; including wisdom, great healing, remembrance of her star lineage and the gift of telepathy. Master Puddah was instrumental in teaching Reyon to speak telepathically to the dolphins and assisting her in becoming a "voice" for the Dolphins.

At present, "Master Puddah" is incarnated as a female cat whose greatest joy in life is to assist others in raising their vibration through her teachings and healing energy. Master Cat Puddah is an aspect of the Soul of Seth.
